2: The proposal so far as it concerns the Durbar Fund is laudable—

3: The points for consideration appear to be —

1) The use of His Highness' picture with the motto & Coat of Arms — This seems to require His Highness' special sanction

& 2) Whether there is any risk in issuing the picture to be a stamp with a money value

Dear Sir,

Mr. M. Shama Rao, Artist, has brought me the enclosed stamps which he has just prepared with a view to selling them at one pie each. His idea is to sell them to scholars throughout the State through the Indpector-General of Education, one-half of the proceeds going to the Mysore Imperial Service Lancers War Fund and he (Mr. M. S. R., Artist,) retaining the other half.

I have informed him that before issuing any stamps he should obtain permission of Government. Hence my bringing the matter to your notice.

I think the idea is a good one, and may be encouraged.

Do you approve of all the wording?

Yours sincerely,

C. M. Yates
